

Control description

O-02 · Sales invoices priced from the approved price master

Order to Cash — Commercial Finance — Billing & Credit · Control owner P. Sharma · Companies: Altura Infra Holdings Ltd

Control ID	O-02 (AIH/O2C/R002/C001)
Control statement	Sales invoices priced from the approved price master.
Risk addressed	This control addresses the risk that customers billed at incorrect prices or terms (AIH/O2C/R002), supporting the accuracy and existence / occurrence assertions over sales invoice prices.
Nature / type / frequency	Automated · Preventive · Recurring · Key control
How it is performed	The control is performed by P. Sharma (Commercial Finance — Billing & Credit) on every transaction, as it is processed: the team prices each sales invoice automatically from the approved price master in SAP SD.
Precision	Tolerance: zero — manual price changes on the invoice are not allowed.
Segregation	Price master changes are approved by Commercial Finance, independent of the billing team.
Exceptions	Any exception — an invoice priced off-master — is held and escalated to the Credit Controller.
Evidence	Dated sign-off on each occurrence; the SAP audit trail is retained for eight years.
System	SAP S/4HANA (SD / FI-AR)
Companies	Altura Infra Holdings Ltd
Control owner	P. Sharma · reviewer H. Khan (Credit Controller)
