

Evidence for the sampled items — T-04

Borrowing within board-approved limits · Treasury · owner A. Verma · period 1 Jan – 30 Jun 2026 (interim)

Purpose — these records show the control operating over the sampled drawdowns and new borrowings, and so addressing the risk that treasury exposures taken outside board-approved limits.

Precision — tolerance: nil above the board-approved limit — no drawdown may take total borrowings over it, and covenant headroom must stay above 10%.

Who signed — The drawdown note is approved by the Group CFO, independent of the dealer who negotiated the facility.

Source — extracted from the SAP S/4HANA (FI-BL) audit trail on 8 Jul 2026 by A. Verma; the signed originals are retained in the Altura evidence store.

#	Sample item	Company	Date	Approver	Payment amount	Review date	Hold release date	Document no.
