

Control description

T-04 · Borrowing within board-approved limits

Treasury — Group Treasury · Control owner A. Verma · Companies: Altura Infra Holdings Ltd, Altura Solar Pvt Ltd, Altura Wind Pvt Ltd, Altura Smart Metering Pvt Ltd

Control ID	T-04 (AIH/TRY/R003/C001)
Control statement	Borrowing within board-approved limits.
Risk addressed	This control addresses the risk that treasury exposures taken outside board-approved limits (AIH/TRY/R003), supporting the accuracy and existence / occurrence assertions over drawdowns and new borrowings.
Nature / type / frequency	Manual · Preventive · Monthly
How it is performed	The control is performed by A. Verma (Group Treasury) each month, before the ledger closes: the team checks every drawdown against the board-approved borrowing limits before the facility agreement is signed.
Precision	Tolerance: nil above the board-approved limit — no drawdown may take total borrowings over it, and covenant headroom must stay above 10%.
Segregation	The drawdown note is approved by the Group CFO, independent of the dealer who negotiated the facility.
Exceptions	Any exception — a drawdown that would breach a limit — is held and escalated to the Board before signature.
Evidence	Dated sign-off on each occurrence; the SAP audit trail is retained for eight years.
System	SAP S/4HANA (FI-BL) and Kyriba
Companies	Altura Infra Holdings Ltd, Altura Solar Pvt Ltd, Altura Wind Pvt Ltd, Altura Smart Metering Pvt Ltd
Control owner	A. Verma · reviewer N. Bhatt (Treasury Controller)

Approved by K. Raghavan (Group CFO) on 12 Apr 2026 · RACM row AIH/TRY/R003
