

Evidence for the sampled items — T-01

Payment runs approved by two authorisers · Treasury · owner A. Verma · period 1 Jan – 30 Jun 2026 (interim)

Purpose — these records show the control operating over the sampled payment runs, and so addressing the risk that payments released without dual authorisation or to unverified payees.

Precision — tolerance: nil. Every run is approved in full by two authorisers, whatever its value; runs above Rs 25 crore also need the Group CFO.

Who signed — Both authorisers are independent of the analyst who prepared the run; Kyriba will not let the preparer approve their own proposal.

Source — extracted from the SAP S/4HANA (FI-BL) audit trail on 8 Jul 2026 by A. Verma; the signed originals are retained in the Altura evidence store.
