

SOP-P2P-004 — Accounts Payable: invoice validation

Altura Infra Holdings Limited · approved 1 April 2025 · owner: Head of Accounts Payable

5.1 Entity and vendor checks

Every invoice shall be checked to the correct legal entity and to the vendor master for name, address, bank account and tax registration before posting.

5.2 Tax

GST input credit eligibility and TDS applicability shall be determined and recorded on the invoice cover sheet.

5.3 Review

An AP Reviewer other than the preparer shall approve the validation in the workflow before the invoice is posted. Approval after posting is not permitted and shall be reported as an exception.

5.4 Authority

The reviewer shall hold an approval limit at or above the value of the invoice, per the delegation-of-authority matrix.
